Actions & Donations by Belgian Lions

Overview of Lions actions and donations in support of Ukraine

The attached list of actions and initiatives that were undertaken by individual Lions and Lions clubs in Belgium to help Ukraine is undoubtedly not a complete list. Nevertheless, it bears witness to the enormous and unrelenting efforts that were undertaken by our Lions in Belgium and abroad to support Ukraine in these very trying times. We therefore felt that it was only proper to extend our gratitude to our members and our clubs for the support and commitment that they have been showing to help alleviate the hardship, the misery and the pain that of so many victims and their families and friends – if this were at all possible. A heartfelt thank you to all those who've been helping in so many ways. But also a request to not give up and to continue to help wherever possible, with our own Lions motto in mind: "Where there is a need, there is a Lion."

- In view of the fact that the capacity of the various hospitals in Ukraine – of 1120 beds – is not sufficient to accommodate the large number of Ukrainian refugees, more than twenty trucks brought hospital equipment, hospital beds, wheelchairs, protective clothing, winter clothes to various places in Ukraine with assistance from the Red Cross and the Red Crescent.
- More than 20 ambulances were donated in cooperation with pharmaceutical companies and medical staff in Belgium and Luxembourg. Lions who were actively involved included Marc Crepel and Gunter Constadt.
- Several clubs collected and donated medicines (such as LC Tienen, LC St-Joris-Winge, LC Aarschot, LC Kortenberg, LC Lessines and others).
- Lions clubs of district 112B responded to an appeal to participate in purchasing toys and sleeping bags for a Saint Nicolas 'toy action' in December 2023. Despite the short lead time, they collected 5 pallets of toys. The actions was coordinated by region chair JP Derauw with het Hageland, LC Kasteel van Gaasbeek, LC Kortenberg, LC Leuven Erasmus.
- Dominique Van Hoegaerden relentlessly collected food for displaced people including LC Aarschot, LC Leuven Erasmus.
- Dominique Van Hoegaerden continues to canvass companies to donate all necessary products, care products, hospital equipment, etc. via Lions Marcel Daniels, Marc Dierckx, Mrs Berx and other Lions clubs with new
